GRID BEARINGS-NORTH ZONE

DRG. NO. 9B-2-19

- Set Monument - As Noted
- Found Monument - As Noted

The purpose of this survey was to establish and reference the right-of-way and construction centerline for the reconstruction of the Hood River Bridge. The lines were established and coordinated, based on the "Oregon Coordinate System", "North Zone."

The found monument at Sections 25, 30, 36 and 31 is the controlling deed element from which all lines were established and reestablished.
