CREW: R. L. Hill, Surveyor
J. P. Gorman, Chainman

DATES PERFORMED: June 4 and 5, 1969

WEATHER: Fair, warm

On June 3, 1969, our firm was retained by the Wyvern Investment Company to do an ALTA survey of the Hood River Hotel.

We referred to Hood River County Map No. 3N 10 25DC which showed the corners in the vicinity.

Corners found: City monument at centerline of Oak and Third Streets, city monuments at the centerline of Cascade and Second Street. Various brass screws as shown on the attached plat.

The location of the Hotel was verified by measurements from the city monuments to determine the lot dimensions as platted.

Monuments found and set, together with the measured distances and bearings used on this survey, are shown on the attached map, which is by reference made a part of these notes.

I certify that this work was done under my direct supervision.
