

RESUME'

DAVE RHODES

September 21, 1972

R. A. King, Registered Professional Surveyor

Crew: W. C. Brown, Party Chief
Dave Rhodes.

In August, 1972 Mr. Dave Rhodes requested a plot plan of his property on West Sherman Street, Hood River, Oregon for the purpose of obtaining a City of Hood River Building Permit.

Information pertaining to surveys in the area was located in the Office of the Hood River County Surveyor. Particular reference is made to Dielschneider Associates Plat No. 71233 and Tenneson Engineering Plat No. 3565.

The South boundary was located by occupying a nail that had been set by Dielschneider Associates, Inc. and chaining westerly 14.19 feet to the Southeast corner of the property as called in Mr. Rhodes deed. This line was then extended westerly 127.0 feet to the Southwest property corner. The East and West lines were located by turning the angle as shown on the Tenneson Engineering Corp. plat.

No permanent monuments were set in the course of this survey.
