COUNTY SURVEYOR
By _____
DEPUTY

FIELD NOTES

FOR: Builders Design and Drafting Service, Portland, Oregon.
Boundary survey of property per furnished description and topo area. Furnish drawing per requirement by Department of Housing and Urban Development. Located in Lot 1, Adams Paradise Acres, Southeast one-quarter of Section 26, Township 3 North, Range 10 East of the Willamette Meridian.

CREW: Anthony C. Klein - Party Chief
Jim Robinson - Instrumentman
Dick Lowe - Chainman^{FR}

DATE COMPLETE: September 21, 1971

Mr. Walsh of Builders Design and Drafting service requested that our firm survey the property as described in the Title Insurance report furnished by them. The survey was to conform with the requirement of the Department of Housing and Urban Development which includes doing a topographic survey.

A drawing and field notes of a survey by Tenneson Engineering Corporation (ref. W.O.#3728 10/17/67) was obtained from the County Surveyors office. Also, information for the location of the monuments of the centerline of Oak Street was obtained from the City Engineers office. This information plus a survey by our firm (ref. Job #71223) was used to assist in the boundary. The centerline of Oak Street was determined by the City monuments and the North boundary of the property was established 30 feet South of the center of Oak Street. An axle was found at the Northwest corner of the property and was found to be 15 feet from the established centerline of Oak Street. Basis of bearings, previous surveys.

Property corners found and established in the course of this survey, together with measured distances and angles, are shown on the attached map which by reference is made a part hereof.
