Mr. Carlos Van Elsberg, Director
Department of Public Works
Hood River County
P.O. Box 457
Hood River, Oregon 97031

FIELD NOTES:

James Dunn, Project #6931, survey in E $\frac{1}{2}$ of the NW $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Sec. 35, T3N, R10E of the Willamette Meridian, Hood River County, Oregon.

CREW: R. L. Hill, Surveyor
J. P. Gorman, Chainman

DATES PERFORMED: May 16, 20, 21, 26, 1969

WEATHER: Fair, warm

On May 7, 1969, our firm was retained by Mr. James Dunn to establish the boundaries of a parcel of land located within Lot 20 of Adams Paradise Acres.

We referred to Hood River County Map No. 3N 10 35 which showed the corners in the vicinity. We also referred to plats of previous surveys filed in the office of the county surveyor.

Corners Found: SE corner of the NW $\frac{1}{4}$ of the NW $\frac{1}{4}$ of Sec. 35. IP in stone wall. IP 2.0' S and 2.5' E of pipe in stone wall.

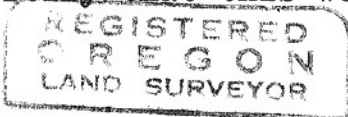

The boundaries of this parcel were established from a traverse beginning at the westerly southwest corner of the William Jenkins DLC No. 38. We found the angular measurements as shown by plat to be in error. It was also found that the iron pipe located near the end of the stone wall did not fit the measured distances. Iron pipes were set at each of the four corners of the parcel.

Monuments found and set, together with the measured distances and bearings used on this survey, are shown on the attached map, which is by reference made a part of these notes.

I certify that this work was done under my direct supervision.
