Mrs. Clara Hoover, Project No. 6922, survey in the Columbia Park Addition to the City of Hood River, Oregon

CREW: J. S. Dielschneider, Party Chief
R. L. Hill, Surveyor
W. C. Brown, Chainman

DATE PERFORMED: April 18, 1969

WEATHER: Fair

On April 14, 1969, our firm was retained by Mrs. Clara Hoover to relocate the east line of Tax Lot #7601, Sec. 35, T3N, R10E WM.

The line was relocated 16 feet to the east by measurements based on our previous survey of the lot. The iron pipes that were set on the original east line were removed and replaced on the new east line.

Monuments found and set, together with the measured distances and bearings used on this survey, are shown on the attached map, which is by reference made a part of these notes.

I certify that this work was done under my direct supervision.

James S. Dielschneider
