DATE COMPLETED: September 27, 1971

On September 10, 1971 Mr. Dale Decker of American Village Apartments requested that the boundary of a parcel of land being purchased by him be surveyed.

He furnished us with a copy of the preliminary title report issued by Pioneer National Title Insurance Company. It was also requested that a described meander line be laid out and the angle points be set with iron pipes.

The county surveyors records were researched and several surveys in that area were found. One by Tenneson Engineering Corporation, which encompassed the general area, was used.

The centerline of Avalon Way was established according to points found.

All corners found and established during the course of this survey together with measured angles and distances are shown on the attached map, which by reference is a part hereof.
