FIELD NOTES

FOR: Dr. Lyle G. Nicholson
Project No. 71238
Survey of two parcels of land in Government Lot 16,
Section 10 and the Southwest one-quarter of Section 11,
Township 1 North, Range 10 East of the Willamette
Meridian, Hood River County, Oregon

CREW: Anthony Klein - Party Chief
Jim Robinson - Instrument man
LeRoy Daley - Chainman

DATE COMPLETED: November 29, 1971

On October 12, 1971, our firm was engaged by Dr. Lyle G. Nicholson to survey and set the corners on the above parcels of land. Legal descriptions were furnished by Dr. Nicholson.

The survey was begun by researching the county survey records where a map by Roy L. Hill (6/26/69) was obtained. The original field notes were obtained from the Bureau of Land Management. Also, the coordinates of several corners in Section 10 were obtained from Hood River County.

The corner common to Sections 10, 11, 14 and 15 was found as were four property corners along the Southwest boundary of the forest service road. Also, the section corner common to Sections 3, 2, 11 and 10 was located.

Bearing control was as established by Hood River County coordinates.

All corners found and established during the course of this survey, together with bearings and distances, are shown on the attached map, which by reference, is made a part hereof.

For the purpose of this survey, the South line of Section 11 was established according to the difference in bearing of the South line of Section 10 as indicated by the original General Land Office notes.

I certify that this work was done under my direct supervision.

Signed

Anthony C. Klein
Registered Oregon Land Surveyor
