On November 8, 1968, our firm was retained by the U. S. National Bank to survey a portion of the K. S. and J. M. DeHart property near Odell, Oregon.

We first referred to Hood River County Map No. 2N 10 35 which showed the corners in the vicinity.

The lot lines were verified by a traverse beginning at an iron pipe which is located N 00° 34' 20" W 1131.11', more or less and N 89° 05' 10" W 117.85 feet, more or less; from the Southeast corner of the Southwest quarter of the Northwest quarter of Section 35 and running through corners previously established and agreed upon by the former and present owners.

Monuments found and set, together with the measured distances and bearings used on this survey, are shown on the attached map, which is be reference made a part of these notes.

I certify that this work was done under my direct supervision.
