FIELD NOTES

FOR: Mr. Harold Hoover - Project Numbers 71246 and 71247 -
Surveys of portions of Lot 14, Town of Belmont, in the
SW $\frac{1}{2}$ SW $\frac{1}{2}$ Section 34, Township 3 North, Range 10 East,
Willamette Meridian, Hood River, Oregon

CREW: Jim Robinson - Instrumentman
Don Robinson - Chainman

DATE COMPLETED: July 26, 1971

On July 26, 1971 and July 28, 1971, respectively, our firm was requested by Mr. Harold Hoover to survey and set the exterior corners of two portions of his property and locate the houses thereon in the South portion of Lot 14, Town of Belmont, at the intersection of Belmont Road and Forden Lane. The two parcels are described in the legal description attached to their respective drawings. The location of Lot 14 had been established in survey Number 71224 conducted by our firm May 13, 1971 and was used as a basis for control.

Bearing control was based on the survey of Lot 14. The South boundary being parallel and 30' North of the centerline of Belmont Road. The West boundary being parallel and 30' East of the centerline of Forden Lane.

Property corners found and established in the course of this survey, together with measured distances and angles, are shown on the attached maps which by reference are made a part hereof.
