

BELMONT AND 22ND ST.

Found P.P. SPIKE at the intersection
of Belmont Road and 22nd st.
as described in Record of Control Survey
Station, Monument L 6

Set on ^{transit} Monument L 6 and F.S. on
an iron pipe at the intersection of May and
22nd st. measured 153 northerly
along the R of 22nd street to a point
which is on the northerly line of the
Elmer Meleen property produced to R of
22nd st.

The purpose of this survey was to
establish lines for a proposed R/W
revision along the easterly line of
the Elmer Meleen property.
