FIELD NOTES:

FOR: Don Nunamaker, Project #72213, survey of a parcel of land in Section 34, Township 3 North, Range 10 East of the Willamette Meridian, Town of Belmont, Hood River County, Oregon. *CHANGED 6/5/72 WCB.*

CREW: Anthony Klein - Party Chief  
Jim Robinson - Instrumentman  
Dick Lowe - Chainman

DATE COMPLETED: March 21, 1972

On March 10, 1972 our firm was engaged by Mr. Nunamaker to divide and set the corners of parcels of the above tract of land.

A plat of the Town of Belmont was obtained along with legal descriptions from The National Farm Loan Association and a survey by Tenneson Engineering Corporation.

A traverse was commenced at the Section corner at the Southwest corner of Section 34 and run Easterly to the West 1/16 between Sections 34 and 3; thence Northerly to the center West 1/16 of Section 34; thence Easterly to the center one-quarter of the section corner. From this traverse the coordinates for the parcel corners were calculated and the distances were proportioned accordingly.

We checked the Tenneson survey within an accuracy of 1 in 9000 and adjusted accordingly.

All corners found and established during the course of this survey, together with bearings and distances, are shown on the attached map, which by reference, is made a part hereof.
