FIELD NOTES:

FOR: Lester Martin of Nunamaker Realty, in Government Lot 4,
Section 34, TIN, R10E, WM, Hood River County - Project 72265

CREW: A. Klein - Party Chief
J. Robinson - Instrument man
D. Robinson - Chainman

DATE COMPLETED: November 11, 1972

Mr. Martin requested that we survey and set the corners of two adjoining parcels as per descriptions furnished by him.

Research at the County Survey office produced two surveys in the area. One by Tennison Engineering Company and one by Newton Surveying Company.

As shown on the map, Hess Road does not extend clear to the south line of Government Lot 4, but turns and goes east about 200 feet North of the SE corner of Government Lot 4.

Also, a fence along the south boundary of Government Lot 4 does not agree with the established south boundary.

All corners found and established during the course of this survey along with the measured angles and distances are shown on the attached map of which a part is made hereof.
