

Resume of a survey for Martin Czuba

Date: November 11, 1972

Party: Richard A. King

Bernard Wells

Edward Graham

Located: Southeast 1/4 of the Southwest 1/4 of Section 14, T.2N., R.10E.W.M., Hood River County, Oregon.

A field search disclosed iron pipes at the Northwest corner, the Southwest corner, and the Southeast corner of the West 1/2 of the Southeast 1/4 of the Southwest 1/4 of the said Section 14 as indicated on a plat filed by D. A. Button in 1946. The Southwest section corner and the South 1/4 corner of the same section were also found and included in a traverse of the entire property. This traverse information was computed and plotted on a working drawing. Calculations from this information show that the pipes found on the South line of this tract did not correspond to the South line of Section 14 by about 4 to 8 feet as shown on the filed plat of this survey. These pipes set by D. A. Button are accepted by the property owners as their true corners. Based on the found pipes, the following parcel was located and defined by corner markers in the field.

#7259
