Hood River County
Surveyor's Office

Dear Sirs:

Herewith a resume of the Survey work I performed for Kenneth Short in Government Lot 7 in Section 22, T 1 N, R 10 E, WM, Hood River County, Oregon.

I found an iron pipe for the North $\frac{1}{4}$ corner of Section 22, I found an iron pipe for the center of Section 22. I then measured the distance and found it to be 2680.75 feet, then I split this distance in half 1340.37 feet and set a PK nail in the pavement, then I split the 1340.37 feet in half 670.18 feet and set a PK nail in the pavement.

I found a mound of stone with an old stake and bearing trees for the Northeast corner of Section 22. I found a mound of stone and iron pipe for the East $\frac{1}{4}$ corner of Section 22, I measured the distance between them and found it to be 2651.72 feet, I set a point half way between. I then sighted on this point from my North PK nail and measured the angles and distances as shown.
