

Resume for Alvin Lee Re:

Re-Survey of a tract of land located in the
SE 1/4 of Section 2, T2N., R10E.W.M. Hood River County on
March 5, 1973. Ed Graham , Chief of Party.

This Party was requested to divide the Lee property into two parcels by a North-South line. The tract had previously been surveyed and divided into four lots with a road running North from the 16' R/W leading from Tucker Road. A map of this survey was acquired from the County Surveyors Office and a field search was conducted. All the monuments set on this 1958 survey by Mart Perkins were located and checked for line and distance. The North and South boundary lines of the original tract were then split at the mid-point and a new survey plat was drawn and recorded. The existing house on the Easterly parcel was also located and plotted on the drawing, which by reference is made a part of this resume.

Ed Graham, Chief of Party
