DATE COMPLETED: January 10, 1974

Glen Taylor of G. & A. T. Corporation requested that our firm
restake the portions of Columbia Park Addition as shown on the
attached map.

A search was made at the Hood River County Surveyors office for
existing surveys in that area and two were found. One by Kent
W. Cox, Consulting Engineer in Block 2 and one by our firm in
Block 5 all of Columbia Park.

The outer boundaries of the area were located from existing monu-
ments found and the interior lots were proportioned accordingly.

All monuments found and established during the course of this
survey, along with measured angles and distances, are shown on
the attached map which by reference is made a part hereof.
