FIELD NOTES:

Survey for Larry Boardman in Section 29, Township 2 North,
Range 10 East, W. M., Hood River County, Oregon.

CREW: Robert A. Edwards, Ore. Prof. Land Surveyor #988.
Lorne Richman, Chairman

DATE PERFORMED: October 1, 1974.

On October 1st our firm was retained by Larry Boardman to survey
a water easement in Section 29, Township 2 North, Range 10 East,
W. M.

The property on which this water easement crosses was surveyed by
Percy H. Crawford on April 10, 1974. We found the corners set by
Crawford's Survey and used his north property line as the basis for
our easement location.

We set up on the north property line and located the existing meter
and traversed south along the open water line ditch. We closed our
traverse by checking into the axel at the southwest corner of the
property.

The bearings used are based on Crawford's Survey of April 10, 1974.
All survey monuments found or set, together with the bearings and
distances of all lines surveyed are shown on Map W.O. 74155 which
by reference is made part hereof.

Signed

Robert A. Edwards, Ore. L.S.#988
