January 9, 1976

FIELD NOTES: A survey in the Southwest quarter of Section 17, Township 1 South, Range 10 East of the Willamette Meridian, Hood River County, Oregon.

CREW: David Downing, Party Chief
Richard Arnold, Transitman
Lynn Lesselyoung, Chainman

REFERENCES: Hood River County Surveyor's reference files

DATE COMPLETED: September 10, 1975

#7595

In March, 1975, our Department was requested by the Hood River County Forestry Department to set property corners and line stakes as shown on the map accompanying this resume.

Prior to starting the project we research our files for existing monumented corners. We found that said Section 17 had been surveyed by the County in July of 1971 for the Antione Timber Sale. Location of all section corners and quarter corners on our resurvey are the same as those used and described in the resume of that July 1971 survey. The reason for the resurvey was an error in bearings and distances of computed section lines as shown on the recorded drawing of the July 1971 survey. Using part of a traverse Aerial Mapping Company did of Section 20, Township 1 South, Range 10 East WM. for Drake Development Company, we traversed around Section 17, closing one in 62,338. We then broke down said Section 17 and set the Hood River County Forest property corners, as shown on the drawing, This completed the requested survey.

David Downing
Party Chief
