Wayne Annala of Glacier Corporation requested we establish the  
boundary of the tract and write legal descriptions for seven  
parcels.

We established all boundary as shown on the plat. The South  
boundary was only established approximately (parallel with the  
North boundary). Basis of bearing was assuming the North line  
of the section as East-West.

All monuments found and established during the course of this  
survey, along with measured angles and distances, are shown on  
the attached map which by reference is made a part hereof.
