FIELD NOTES

FOR: Jim Hoskinson of a survey located in the Northwest quarter of Section 26, Township 2 North, Range 10 East of the Willamette Meridian, Hood River County, Oregon.

CREW: A. C. Klein - Party Chief
J. P. Robinson - Instrumentman
R. O. Gaylord - Chainman

Our firm was requested by Mr. Hoskinson to survey and establish the corners of a parcel in the above described vicinity which is a portion of Folt's Subdivision in Odell.

Monumentation was found from a survey by Newton Surveying Company, W. O. #1011, and due to lack of highway monumentation, the West boundary was determined by splitting the existing pavement.

All monuments found and established during the course of this survey, along with bearings and distances, are shown on the attached map which by reference is made a part hereof.
