FIELD NOTES

FOR: Benjamin Franklin Savings and Loan (Re: Wixman) of a survey located in the Northwest quarter of Section 35, Township 2 North, Range 10 East of the Willamette Meridian, Hood River County, Oregon.

CREW: A. C. Klein - Party Chief
J. P. Robinson - Instrumentman
R. O. Gaylord - Chainman

Our firm was requested by Benjamin Franklin to do an ALTA survey of a new residence under construction in the above vicinity.

A series of red topped iron pipes were discovered in the vicinity and all proved to be erroneous in fitting the boundary description.

An old, unfiled survey of approximately 1968 vintage, done for Lynn Douglas, was found and reconstructed using a 1-inch iron pipe at the Southwest quarter of the Northwest quarter, an iron bolt, and a 3/4-inch iron pipe, the latter two of which were underground near two of the red topped pipes previously found.

All monuments found and established during the course of this survey, along with bearings and distances, are shown on the attached map which by reference is made a part hereof.

Signed Anthony C. Klein
