Field Notes

For: Webster Ranches - Portions of property boundaries in Section 14, Township 2 North, Range 10 East, Willamette Meridian, Hood River County, Oregon.

Crew: Larry D. Bishop - Party Chief  
J. P. Robinson - Instrumentman

Our firm was requested to establish the property boundaries shown by the heavy dark lines on the attached drawing.

A survey by John Henderson, County Surveyor, in 1908 and the field notes of said survey were used as reference in the conduct of this survey.

Monuments set by Henderson at the North quarter corner and East quarter corner were found and accepted. The monument found at the West quarter corner was accepted based on county survey records. The position of the found monuments common to the Northwest quarter is supported by angular and distance comparisons with the referenced survey by Henderson.

An intensive search for the Northwest corner of Section 14 was conducted. No evidence of the original corner or its accessories was found.

All monuments found and established during the course of this survey, along with measured angles and distances, are shown on the attached map which by reference is made a part hereof.

Signed Larry D. Bishop
