FIELD NOTES: A survey for the Hood River Eagles Lodge of a tract of land in the Northeast 1/4 of the Southwest 1/4 of Section 36, Township 3 North, Range 10 East, Willamette Meridian, Hood River County, Oregon.

CREW: Lawrence E. Jones, Partychief
Scott Tenneson, Chainman

REFERENCE: T.E.C. Work Order #5396.

DATE COMPLETED: August 3, 1977

On July 27, 1977, our firm was retained by Mr. Bob Peterson, of the Hood River Eagles Lodge, to survey a tract of land in the Northeast 1/4 of the Southwest 1/4 of Section 36, Township 3 North, Range 10 East, Willamette Meridian.

Before commencing the survey we searched our files and found a survey for the Indian Creek Apartments, Tenneson Engineering Corporation Work Order No. 5396, dated July 14, 1977, giving the fractional subdivision of Section 36, Township 3 North, Range 10 East, Willamette Meridian.

The survey was started at the Southeast corner of that tract surveyed for the Indian Creek Apartments. This corner is monumented with a 5/8 inch iron rod on the North-South centerline of Section 36. From this point we ran North on the center section line and established the property corners at deed call bearings and distances.

This survey is based on established and recognized monuments and is in compliance with the B.L.M. manual for the fractional subdivision of sections. All distances are based on electronic measurements. Corners found and established in the course of the above survey, together with measured bearings, distances and ties, are shown on the attached map, Tenneson Engineering Corporation Work Order No. 5401, which by reference is made a part hereof.
