

Work Order No. 7258
September 20, 1989

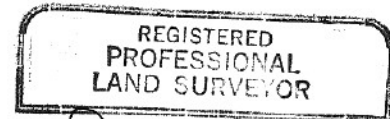

FIELD NOTES: Work Order No. 7258, Kathy Palmer
CREW: David L. Tuttle, Partychief
Douglas J. Stroh, Assistant
DATE COMPLETED: September 6, 1989
REFERENCE: Survey by Pat Crawford, 1975. County Recording Number
None

On September 6, 1989, Tenneson Engineering Corporation was contacted by Kathy Palmer of Hood River, Oregon, to have property line between her property and the adjacent lot, being the line between Lots 2 and 3 and 22 and 23, Block 37, Hood River, established in the field. She provided a legal description and a copy of the prior survey showing the layout of the irregular shaped lot line.

In the field, the lot corners common to Lots 2 and 3 at the South side of Prospect Avenue and at the centerline of the block were recovered. The remaining property corners were set in pursuant to the legal description provided by the owner. Corners set were 5/8" x 30" iron rods with plastic caps LS 873.

Corners found and set in the course of this survey are shown on the attached plat, Work Order No. 7258, which, by reference, is made a portion of these notes.
