Mr. Carlos Van Elsberg, Director
Department of Public Works
Hood River County
P. O. Box 457
Hood River, Oregon

FIELD NOTES:

M. Follet, Project No. 6824, survey of the East one half of Lot 27 and Lot 28 of Block Five in the Riverview Park Addition to the City of Hood River, Oregon.

CREW: J. G. Mahoney, Transitman
W. C. Brown, Chainman

DATE PERFORMED: November 1, 1968

WEATHER: Warm

On October 28, 1968, our firm was retained by Mark Follet to survey the Chamberlain property in the Riverview Park Addition.

We referred to the original plat of the Riverview Park Addition, which showed the corners in the vicinity. The plat is on file in the office of the Hood River County Department of Records and Assessments.

We found concrete monuments at the Northwest corner of Block 3 and at the Southwest corner of Block 4 in the Riverview Park Addition. The property lines were established from the aforementioned monuments.

Monuments found and set, together with the measured distances and bearings used on this survey, are shown on the attached map, which is by reference made a part of these notes.

I certify that this work was done under my direct supervision

J. S. Dielschneider
