I, Wm. P. Adair, Engineer of
Stanley-Smith Lumber Co. do hereby
certify that the above map is a
correct representation of the
proposed reservoir, ditch and
flume.

Wm. P. Adair

State of Oregon } ss
County of Multnomah }

Subscribed and sworn to before me this 6th day of July, 1906.

Notary Public

I, Dwight, hereby certify that I am President of the Stanley-Smith Lumber Company (Incorporation), that P.M. Hall-Lewis, who subscribed the accompanying affidavit, was employed to make a survey of the Tasevint and flume shown by this map. That the survey of the said reservoir, ditch and flume as accurately represented on this map was made under authority of the Company by the said P.M. Hall-Lewis and by him completed on the 6th day of July 1906 as shown upon this map. That the said reservoir, ditch and flume as represented by the Company by resolution of its Board of Directors on the 6th day of July 1906 as shown by the records of the said Corporation, is desired as the reservoir, ditch and flume as located by the said P.M. Hall-Lewis, and that the said reservoir, ditch and flume as located by the said P.M. Hall-Lewis is necessary for the purposes of the Company as set forth in the articles of incorporation. So much of the said reservoir, ditch and flume as is owned by the Company is clear of incumbrances on the day of July 1906 as shown by the records of the said Corporation and that the said reservoir, ditch and flume as located by the said P.M. Hall-Lewis does not interfere with any prior valid claim or appropriation of water so far as the Company is informed and believes.

Notary Public

P.M. Hall-Lewis, being duly sworn, says he is the person employed by The Stanley-Smith Lumber Company, a corporation, to make a survey of the reservoir, ditch and flume shown hereon, that a survey of the Company's reservoir, ditch and flume as described as follows, commencing at a point on the East Boundary of the Cascade Forest Reserve, 3405.5 ft. south from the NE Cor. of S.E. ¼ Sec 24 T2 N R 8 E W.M. U.S. Survey, which point is designated as Initial Point for reservoir, and ending at the Initial Point for ditch and flume as described as follows. Commencing at a point on the East Boundary of the Cascade Forest Reserve 5742 ft. North from the NE Cor. of S.E. ¼ Sec. 24 T2 N R 8 E W.M. U.S. Survey, which point is designated as Initial Point for ditch and flume and W. 634 ft. from said Initial point, a distance of 7.20 of a mile, was made a claim as surveyor employed by the Company, and under its authority, commenced on the 10th day of June 1906, and ending on the 27th day of June 1906, and that the survey of the said ditch and flume accurately represents upon the ground the location of the said reservoir, as nearly as possible accurately represents a brief line which is the proposed water line of said reservoir, and that such survey is accurately represented upon the map and the accompanying field notes. And no lake or lake bed, stream or stream bed or any portion thereof, except as shown on this map.

P.M. Hall-Lewis

Sworn and subscribed to before me this 28th day of July, 1906.
