

Basis of bearing is north as shown by the section line and is assumed to be correct.

This plat correctly represents a survey made under my direction in conformance with the requirements of the Oregon Land Surveyors Laws at the request of Mr. John Hubco. There are no visible errors or omissions other than those shown hereon.

FIELD NOTES:

John Hutson, Project No. 6835, survey in the Northeast 1/4 of the Northeast 1/4 of Section 3, Township 2 North, Range 10 East of the Willamette Meridian, Hood River County, Oregon.

CREW: J. S. Dielschneider, Party Chief  
J. G. Mahoney, Transitman

DATE PERFORMED: March 28, 1969

WEATHER: Fair, warm.

On December 12, 1968, our firm was retained by Mr. John Hutson to divide his property into three parcels. He also requested that we set the corners on the parcel to the north which is owned by his son.

We referred to Hood River County Map No. 2N 103 which showed the corners in the vicinity.

The corners of the four parcels were established from a traverse which began at the NE corner of Section 3, T2N, R10E WM. This corner is also the NE corner of the property.

Monuments found and set, together with the measured distances and bearings used on this survey, are shown on the attached map, which is by reference made a part of these notes.

I certify that this work was done under my direct supervision.

Subject: Hutson Property Survey:  
Project No. 6835

Dear Sir:

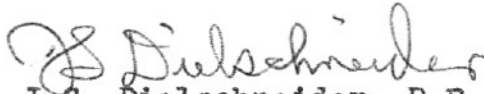

We have reviewed our submitted plat and notes on the above project as in your letter. We see that it does appear from our submitted notes that this small parcel might fit the minimum partitioning regulation as set forth in section 15 of the Hood River County Subdivision Ordinances as adopted March 18, 1966. The article indicates a minimum of "four or more parcels"....when such parcel exists as a unit or contiguous units under a single ownership as shown on the tax roll for the year preceding the partitioning."

We have expanded our submitted notes to include the fact that only three of the surveyed parcels are under a single ownership. The applicable deeds are enclosed. Official Hood River County Tax Roll Records for the different owners are also enclosed.

We regret that this misunderstanding has occurred and hope that the revised field notes and enclosures will clarify the situation.

Sincerely yours,

JAMES S. DIELSCHNEIDER & ASSOCIATES, INC.
