## FIELD NOTES:

FOR: Brooke Hull, Project No. 71248, Survey of a parcel of land in the Northeast  $\frac{1}{4}$ , Section 11, Township 2 North, Range 10 East, Willamette Meridian

CREW: Anthony C. Klein - Party Chief  
James P. Robinson - Instrumentman  
Don Robinson - Chainman

DATE COMPLETED: 30 July 1971

Our firm was requested by Mr. Hull to establish the four (4) corners of a parcel of land in the Northeast  $\frac{1}{4}$ , Section 11, Township 2 North, Range 10 East, Willamette Meridian.

The initial point was a  $\frac{3}{4}$  inch pipe found at the Northeast corner of said parcel and the remaining corners were established by chaining and turning the deeded description angles from a thirty (30) foot offset line South of the center line of Tucker Road, being the North Section line of Section 11.

All corners found and established during the course of this survey together with measured angles and distances are shown on the attached map, which by reference is a part hereof.

Signed
