Mr. Carlos Van Elsberg, Director
Department of Public Works
Hood River County
P. O. Box 457
Hood River, Oregon

FIELD NOTES:

Pooley Fruit Company, project No. 6818, survey in the Northwest quarter of the Southwest quarter of Section 13, Township 2 North, Range 10 East of the Willamette Meridian, Hood River County, Oregon.

CREW: J. G. Mahoney, Transitman
W. C. Brown, Chainman

DATE PERFORMED: October 11, 1968.

WEATHER: Cool, raining.

On October 9, 1968, our firm was retained by M. S. Walton to survey a portion of Pooley Fruit Company's property in Section 13, T 2 N, R 10 EWM.

We first referred to Hood River County map No. 2N 10 13 which showed the corners in the vicinity.

The well was located at a point which is N 54° 42' W 898.6 feet, more or less, from the Southeast corner of the Northeast quarter of the Southwest quarter of Section 13.

The parcel to be irrigated was located by a traverse beginning at a point which is West 578.2 feet, more or less, and North 564.0 feet, more or less, from the Southeast corner of the Northeast quarter of the Southwest quarter of Section 13.

Monuments found and set, together with the measured distances and bearings used on this survey, are shown on the attached map, which is by reference made a part of this survey.

I certify that this work was done under my direct supervision.
