FIELD NOTES:

FOR: Don Nunamaker, Project No. 71235, survey of a parcel of land in the NE $\frac{1}{4}$ of the NW $\frac{1}{4}$, Section 36, Township 2 North, Range 10 East, Willamette Meridian, Hood River County, Oregon

CREW: Anthony C. Klein - Instrumentman
Jim Robinson - Chainman

DATE COMPLETED: June 3, 1971

On June 2, 1971 our firm was requested by Mr. Nunamaker to survey a parcel of land West of and adjacent to Neal Creek Road. The approximate boundry was shown to us by Mr. Nunamaker and a metes and bounds survey was initiated and a legal description prepared.

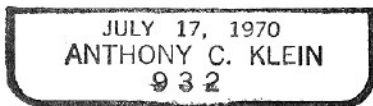

The survey was begun by researching the county survey records for any available information. County corner references were obtained for the North $\frac{1}{2}$ and Center $\frac{1}{2}$ of Section 36. The property was surveyed with reference to these 2 (two) corners.

All corners found and established during the course of this survey together with measured angles and distances are shown on the attached map, which by reference is a part hereof.
