

BELMONT AND 22ND ST.

Found P.P. SPIKE at the intersection  
of Belmont Road and 22nd st.  
as described in Record of Control survey  
station, Monument L 6

Set on <sup>transit</sup> Monument L 6 and F.S. on  
an iron pipe at the intersection of May and  
22nd st. measured 153 northerly  
along the R of 22nd street to a point  
which is on the northerly line of the  
Elmer Meleen property produced to R of  
22nd st.

The purpose of this survey was to  
establish lines for a proposed R/W  
revision along the easterly line of  
the Elmer Meleen property.
