Calculated Position as per Single Proportion
Found H.R.C. Brass Cap being 3.55' North
& 4.4' East of single proportion corner

My Logic Being: (1) There is no survey of
Record on the Walton Parcel. (2) H.R.C. in
their 10/12/83 Survey did not accept the
Brass Cap they found near the 1/16th corner
to the East of here.
