RESUME'

The survey, requested by Robert Hannel, partitioned the parcel according to the Major Partition as approved by the Hood River County Planning Department. The Survey records at the Hood River County Surveyor's Office were researched and all surveys adjoining the parcel were reviewed and a search was made for the existing monuments and property corners. A survey by DLC Surveying, CS#78031, was used as the basis of subdivision of the SE 1/4 of Section 4. All Monuments and property corners found and set are shown on the plat along with the bearing and distances.
