**NARRATIVE:** The Purpose of this survey was to find or monument corners of T.L. 2900 of 1N 10 21 and to locate & mark the deed lines -

It was found in the process of survey research that Soli CS. 7515 had not been revised. Said Soli Survey has a bust in location of 1/4 CORNER of SEC. 21. D.L.C. has a CS. 7638 which reflects said Soli survey bust. This current, 1990, survey reties all corners shown to confirm D.L.C. CS. 7638 to be correct.

It was found in deed research that tax lots 2901, 2905, 2904 & 2903 were created directly from a D.A.I. survey as stamped by Bishop as revised 10/12/77. Bishop survey monuments as found were held as TRUE DEED CORNERS regarding said Tax Lots. Bishop held D.L.C. CS. 7638 for Section 21 control rather than Soli CS. 7515 -
