The purpose of this survey was to mark the Northerly line of Lot 27 of Roger's Addition to Riverside Park, lying Northerly of Lost Lake Road. A diligent search was made for any existing evidence of boundary corners along the subject line and nothing was found.

The location of Lot 27 was pre-determined from the 2014 survey of the Northwest boundary of said subdivision (CS-2014-022). The section line between Sections 22 and 23, as shown on said survey, was held for the basis of bearing. A rotation angle of 3°11'58\"/>
